

We are glad to be worshipping with you today and hope you will explore the many opportunities for learning, serving, and community building at Fourth Church!

✧ Inspired by the radical hospitality of Jesus Christ, we welcome everyone, without exception, into the life of this congregation. ✧ We invite you to join us at this intersection of faith and life as we share God’s grace with one another and the world through worship and ministries of healing, reconciliation, and justice.

Although wearing a mask is not required at Fourth Church, we as a community have made a commitment to be **a mask-welcoming campus**, encouraging the wearing of masks by anyone who wants or needs to wear one. With the COVID risk level in Chicago at “high,” we are going a step further to **not just encourage but to recommend** (*though not require*) **that individuals wear masks while on campus**. This is consistent with city health officials recommending that—in light of the “high risk” level—individuals wear masks indoors when they are not certain of the vaccination status of others present. As a mask-welcoming—and now recommending—campus, we also remain committed to **ensuring no one will feel out of place should they choose to wear a mask while at Fourth Church**. ✧ Since some populations are more vulnerable to COVID-19 than others, some programs on our campus choose to require masks. ✧ Additionally, while we are continuing our practice of not checking vaccination status, **anyone coming on site certifies** by doing so that (a) they do not currently have COVID-19; (b) they are not experiencing COVID symptoms; (c) they have no reason to quarantine; and (d) they will **wear a mask and practice social distancing if they are not vaccinated** against COVID-19. ✧ In the Sanctuary, the **front section on the pulpit side is for those required to or choosing to practice social distancing, and everyone sitting in that section is required to wear a mask**. The remainder of the Sanctuary is open seating.

For those who prefer to worship online or who are unable to join us in person, we livestream our morning service at 10:00 a.m. on our YouTube channel (www.bit.ly/fpcvideos), where the service is also available for viewing afterwards. ✧ **Those without Internet access** are invited to listen to the morning service via phone by calling 888.916.9166 at the time of the service.

Dr. Daymond is currently Senior Pastor of Covenant United Church of Christ in South Holland, Illinois. As we return to more on-site programming, Fourth Church and Chicago Lights have implemented a new safety and security practice: **anyone present on the Fourth Church campus is required to wear a campus badge while on site**, *except on Sundays and for other worship opportunities, concerts, and Meals Ministry meals*. Anyone who does not already have a campus badge (*except for those exceptions noted above*) will be asked to pick up a single-day badge at the 126 E. Chestnut reception desk.

Reusable badges are being issued by some programs with regular, ongoing weekly programming, such as Chancel Choir. These reusable badges are only available from the staff of those programs, not from the reception desk. Anyone who does not bring their reusable campus badge is able to pick up a single-day badge.

To facilitate this process—as well as for safety and security reasons—**all access to the building is through the 126 E. Chestnut entrance only**, *except on Sundays and for other worship opportunities, concerts, and Meals Ministry meals*. Our ongoing commitment to the safety and security of all on our campus undergirds this practice, which was been under discussion since prior to the pandemic. (*Implementation was set aside while the campus was largely closed.*)

The campus badges and single-entry access point were strongly encouraged by our safety and security consultants and advisors and are also consistent with practices at other large, spread-out, multi-use buildings with spaces and uses like ours. They enable us to know who is in the building throughout the day. (*Previous unlimited access has at times resulted in unknown individuals hiding in corners of the campus.*) They also ensure that should we ever have to evacuate the buildings, we will know who was on site and needs to be accounted for.

As a congregation, **we value radical hospitality and welcome for all**, and we believe one expression of that is our care for the well-being of those who are present with us. **This safety and security practice is but one expression of that**. For those who will be joining us on site as programming on campus continues to expand, we look forward to seeing you!
