A Light in the City

Fourth Presbyterian Church takes the complexity of marriage seriously, and we are committed to supporting couples as they work to create a fulfilling, lifelong bond together.

Premarital Saturday Seminars are presented five times a year by the Replogle Center for Counseling and Well-Being at Fourth Presbyterian Church. In these seminars, couples learn and practice important skills necessary to building a healthy marital relationship that will endure and grow.

The purpose of these seminars is to help couples determine where they stand in their development, build on their skills in various areas, and give them an opportunity to discuss their results with each other in preparation for a meeting with their pastor.

The important areas that will be highlighted include

- Marriage Expectations
- Communication
- Financial Management
- Sexual Relationship
- Role Responsibility
- Parenting
- Personality Issues
- Conflict Resolution
- Leisure Activities
- Children
- Family and Friends
- Spiritual Beliefs

Scheduling Arrangements

Space is limited; please sign up early.

Plan to attend a Premarital Saturday Seminar at **least four months before** your wedding.

Requirements

This seminar was built around more than forty years of data provided by the *Prepare/Enrich Inventory*, developed by Life Innovations and Dr. David Olson.

This inventory *must* be completed at least one month prior to the seminar a couple plans to attend so that they will have their Couple's Report and "Building a Strong Marriage" workbook on the day of the seminar.

Reservations and arrangements

to fill out the *Prepare/Enrich Inventory* may be made by emailing dcunneen@fourthchurch.org.

to love another
is perhaps
