Dear Members, Staff, and Friends of Central Presbyterian Church,

We are delighted that your journey of transition has led you to a season of new beginnings this July 1.

While we did not want our ministry partnership with Shannon to end, it is with joy that we see yours beginning. We are excited for all that lies ahead for you and for her and the Kershner family as you embark on your shared ministry.

We know you will all be blessed by one another and will do amazing things together in witnessing to and sharing God's love. We will be cheering you on.

Know also that you will always be in our prayers and, if your travels bring you to Chicago, that there is a warm Fourth Church welcome waiting for you.

Faithfully,

Allison Youngblood and Jared Light
Co-Clerks of Session
on behalf of the Fourth Church Congregation
